News about "Al Dora Residence"

In order to achieve our promise which we made to our customers, our team in El Dar for Investments & Real Estate Development is working day and night to keep the promise of a very unique community.

We have a clear and well-planned goal to be achieved within the first phase of the development; there are around 100 units to be delivered in the first phase.

Visit Al Dora Residence site, feel in real images a day-to-day work to bring this dream into reality in time with the quality we promised you to have.

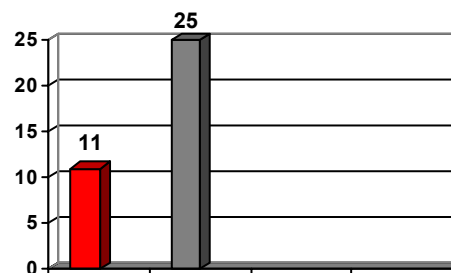

Al Dora Abroad

Al Dora Residence development is attracting a number of foreign agents in Europe; we are receiving several offers from an European agencies concerning Al Dora Residence saying that the development is getting a lot of positive comments from clients

What is new?

As a response for many requests for small area apartments, we made a very recent addition for Al Dora Residence" collection; now we have 1 bed studios of 60 m² to fit your need and with all facilities.... [Read more](#)

Sales Curve
